

Club Pass Information for Referees:

1. Players can be written onto the roster as long as they have a laminated player card/pass for that team. No laminated player card/pass for that team no play.
2. You may see something new on the SDDA rosters where it is indicate next to the players name a "CP". "CP" indicates Club Pass Player which is a player that has been moved to this team from another team within their club. This is a legal player and this player's name will be printed on the roster not handwritten in. **Club Pass players will never be allowed written on the roster.**
3. Dropdown box has been updated and all currently registered and risk managed referees will now show on the dropdown.
4. Please report all coaches warnings as cautions / yellow card and any coaches send-offs as red cards on the game roster and when you report it online.
5. Presidio will be reporting to each referee association which referees have reported or not reported their games on the online system.
